

BENCIVENGA[®]

IL MEGLIO DELLA FRUTTA SECCA

dalla Natura direttamente sulle Vostre tavole

La nostra azienda, fondata nel 1930, ha negli anni perseguito come obiettivo la continua e costante ricerca di prodotti di elevata qualità che, trattati con una cura tutta particolare con un processo ancora artigianale, mantengono inalterato il proprio gusto classico e semplice, tipico della tradizione culinaria italiana. L'azienda ha fatto sì che i suoi prodotti, negli anni a seguire, venissero sempre più conosciuti ed apprezzati dagli operatori del settore. Un elevato livello qualitativo attualmente contraddistingue la BENCIVENGA, divenuta ormai una realtà di spicco nel mercato della distribuzione.
